# Installing the iPad App

Follow the steps below to successfully install the Harbortouch Tableside app on an Apple iPad

Step One

Open Safari on the iPad.
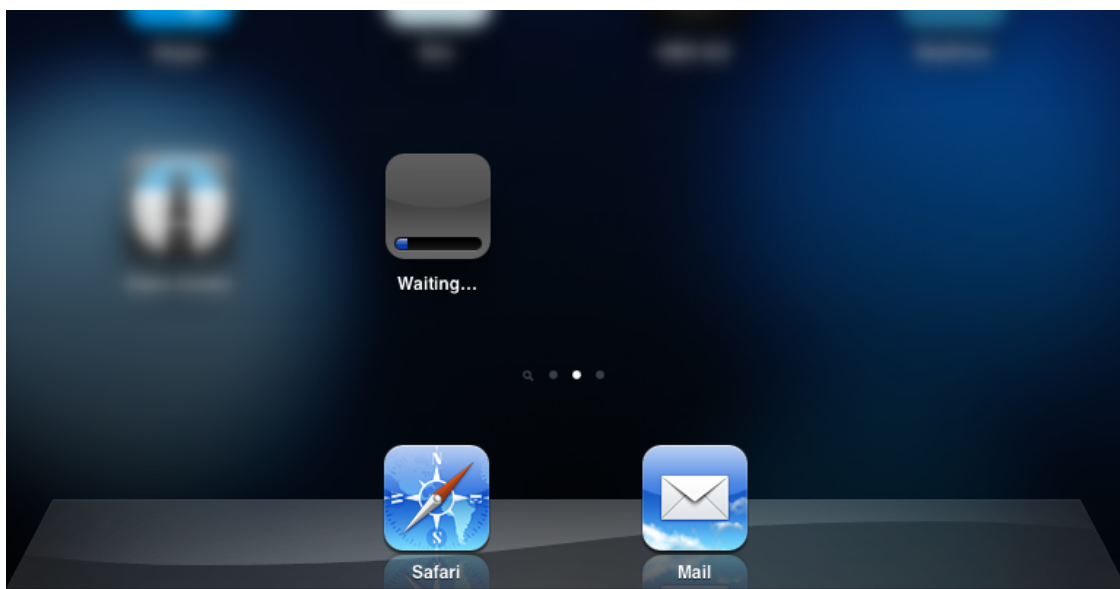

Step Two

Navigate to www.harbortouch.com/tableside and hit 'Go' on the iPad keyboard.

Step Three

You will be prompted to install the application. Click 'Install' to download and install the application.

Step Four

The application will be installed as soon as it finished downloading. Depending upon your internet connection this will take roughly 2-5 minutes.
